

General Washington crossing the Delaware on his way to win a great victory against all odds in the face of declared defeat. In the direst circumstances, he refused to surrender and led by divine providence, became the Father of a Great Nation built upon spiritual light.

As we know the Founding Fathers were Satanists, and as the evidence shows, they worked with our Gods at the higher levels to create a new nation. Many of the Founders being original and uncorrupted Masons still had the spiritual teachings that allowed them to open the clairvoyant centers and communicate with them. Franklin made mention of this in his statements.

The fact is the situation is dire for us in our times as it was in those times. Many are demoralized; many have surrendered and have chosen apathy in the face of the Jewish tyranny that opposes humanity. Many more have by ignorance or treachery, actively become agents of such tyranny.

In the sphere of this, now is the time NOT to become discouraged and faint of heart. Now is the time more than ever to fight as Washington did when most gave up. It is the mark of the human spirit to defy against, at all odds what are inhuman and evil. Humanity is a race of Heroes at its heart, and this has not left our soul. It is the darkest before the dawn.

In the face of this reality, what will you choose to do? Will you surrender to denial and apathy? Or will you rise to heroism and do your part as many have before you? The Gods believe in you, Satan has placed His full trust in you. Don't let them down. Generations of our Forefathers who fought for true freedom, offer their hand to you. Don't be afraid to grasp it. Don't let their sacred banners fall before the enemies of humanity, for they are your banners as well.

It is time to examine ourselves and take our personal measures. What are we doing to help? What can we do more of to help?

- Use runes to raise energy to give to Lilith daily.
- Educate people with online activism.
- Take part in spiritual warfare against the enemies of Satan and humanity.
- Empower yourselves daily with meditation
- Educate yourselves into the leaders of tomorrow.
- Ask the Gods for help in how you can best help keep up the Freedom struggle daily.

What kind of a world do you and your future generations want to live in? If it is a world of true and eternal freedom, of never ending light, then you have to take action to make this happen as our heroes of past have. Freedom, and Eternal Truth must be defended and fought for!

Choose the light, take up the fight.

The decision you make determines the future for us all.

Washington leading his forces to victory at the Battle of Princeton, over the greatest superpower of the time. That of Jewish Rothschild controlled Britain.

TRUTH IS STRONGER THAN LIES! FREEDOM IS STRONG THAN TYRANNY!

THE TIME IS NOW!
